

Case Study

LEADING MANAGED SERVICES COMPANY

THE CHALLENGE

This client is one of the worlds best known technology brands and they had 2 main requests:

- Maintaining a high standard of service
- Ensuring a consistent delivery of high quality candidates who met the niche requirements of

OUR ROLE

As as a top tier PSL provider for contract, we had 2 dedicated Account Managers assigned to carry out all their recruitment necessities, specific to the immediate needs of the company.

We were tasked with providing both standard and niche contractors with the average daily rate of €400.

To achieve this goal our team carried out all functions from screening, interviewing, placing, to monitoring and disciplining, as well as releasing the contractors.

GEMPOOL'S SUCCESS

- Successful delivery of high quality and high volume of candidates within a short notice, helping the company scale quickly and efficiently.
- 50 long-term and dependable contractors were placed onsite over the past 4-5 years, creating a strong and lasting partnership with with the employer.
- Enabled the client to build state of the art Networks Operations Centre in their HQ in Dublin.
